## Product Description

### Bobcat S70 Skid Steer Loader – Premium Quality & Versatile Performance

Your Trusted Partner for Cost-Effective Secondhand Construction Machinery

The Bobcat Skid Steer Loader is a compact yet powerful machine designed for demanding construction, agriculture, and industrial applications. With 3,000+ units in stock and 20+ years of global export expertise, our Shanghai-based company delivers rigorously inspected, undamaged machinery to domestic and international markets, ensuring unmatched value and reliability.

#### Key Product Features & Technical Specifications

- Engine & Power
  - Engine Model: Kubota V3300-DI-T (Tier 3 compliant) 812
  - Engine Power: 58 kW (72 HP) for robust performance in harsh environments.
  - Operating Weight: 3.13 tons, balancing stability and maneuverability.
- Hydraulic System & Efficiency
  - Rated Operating Capacity: 1,035 kg (2,282 lbs), ideal for heavy lifting.
  - Bucket Capacity: 0.91 m³ (1.2 cubic yards) with a width of 1.88 meters 8.
  - Travel Speed: Up to 11.6 km/h for efficient job site mobility 8.
- Compact Design & Versatility
  - Transport Dimensions: 3.63 m (length) × 1.83 m (width) × 2.06 m (height), enabling access to confined spaces like workshops, farms, and docks 812.
  - Attachments: Compatible with buckets, sweepers, milling heads, and grapples for multi-functional use 12.
- Durability & Operator Comfort

#### • Durability & Operator Comfort

- Heavy-Duty Undercarriage: Reinforced steel tracks ensure longevity on uneven terrain.
- ROPS Cabin: Equipped with air conditioning and 360° visibility for safe, comfortable operation 12.

#### Why Choose Our Bobcat S70 Skid Steer Loaders?

##### Rigorous Quality Assurance:

Every S300 undergoes thorough inspections to verify mechanical integrity, minimal wear, and optimal functionality.

##### Cost Savings:

Save 30–50% compared to new models while retaining high performance.

##### Global Compliance:

Machines meet ISO, CE, and Tier 3 emissions standards for seamless international deployment 812.

#### Company Strengths – Your Competitive Edge

##### 1. Massive Inventory & Fast Delivery

- 3,000+ Machines Available: Immediate access to Bobcat S300 loaders, spare parts (e.g., brake solenoids, anti-slip decals), and attachments 913.
- Custom Solutions: Configure machines with optional attachments or refurbishment services.

##### 2. Expert Support & Logistics

- Professional Sales Team: Leverage 20+ years of industry knowledge to select the ideal equipment 913.
- 24/7 After-Sales Service: Multilingual technical support via email, phone, or live chat.
- Global Shipping: Efficient logistics to Africa, Asia, Europe, and the Americas with FOB/CIF terms 913.

##### 3. Transparent Transactions

- Payment Flexibility: 30% deposit, 40% before shipment, and 20% post-delivery 9.
- 1-Year Warranty: Confidence in every purchase.

##### 4. Sustainable Value

- Parts Availability: Genuine Bobcat components (e.g., part numbers 7108222, 6690563) and third-party alternatives in stock 610.

#### About Our Company – Leading Secondhand Machinery Exporter

Located on Yuanjiang Road, Shanghai – China’s largest hub for pre-owned construction equipment – we specialize in delivering high-performance, inspected machinery to clients worldwide. Our 3,000+ inventory includes skid steer loaders, excavators, and bulldozers, all refurbished and ready for immediate deployment.

##### Core Values:

- Customer-Centric Approach: Tailored financing, flexible terms, and lifelong partnerships.
- Ethical Standards: Verified quality, transparent pricing, and eco-friendly practices.

- If you still need to buy and are interested in second-hand machinery, please contact me on WhatsApp [+86 13003242410](https://wa.me/8613003242410).
