Product Description

CAT 320D Excavator 20 Ton Excavators Caterpillar CAT 320 320D2 Crawler Excavator For Sale
 Looking for a reliable, high-performing CAT 320GC excavator at an exceptional value? Your search ends here. As a leading force in the global second-hand heavy machinery market for over 20 years, we specialize in connecting discerning buyers worldwide with top-tier equipment like the versatile CAT 320GC. With nearly 3,000 meticulously

discerning buyers worldwide with top-tier equipment like the versatile CAT 320GC. With nearly 3,000 meticulously inspected machines readily available in our expansive Shanghai facility, we offer unparalleled selection and immediate availability.

Why Choose Our CAT 320GC Excavators?

- **Massive Inventory & Immediate Availability:** With 3,000+ units in stock, we guarantee you'll find the perfect CAT 320GC to match your specific project requirements and budget. Skip the long lead times – drive productivity faster.
- **Rigorous Quality Assurance:** Located on Yuanjiang Road, Shanghai – the heart of China's largest second-hand trading market – we implement stringent inspection and refurbishment processes. Our CAT 320GC excavators are renowned for being "good and undamaged," ensuring operational reliability and longevity. We stand firmly behind the condition of every machine.
- **Unmatched Export Expertise:** Leverage our 20 years of dedicated exporting experience. Our strong and professional sales teams navigate international logistics, documentation, and compliance seamlessly, ensuring a smooth, hassle-free purchase and delivery process to your doorstep, anywhere in the world.
- **Comprehensive After-Sales Support & Parts:** Your investment is protected. Our professional and friendly after-sales team provides dedicated online support, ready to assist with technical queries or troubleshooting. Need parts? We fully support the purchase of genuine and compatible machine-related parts, minimizing downtime and maximizing your excavator's uptime.
- **Exceptional Value Proposition:** Acquire the proven performance and durability of a Caterpillar 320GC without the premium price tag of new equipment. Our competitive pricing on quality used machines delivers significant cost savings while maintaining high productivity standards.
- **Customer-Centric & Honest Philosophy:** We operate on a core promise: putting customers first with honest business practices. You receive transparent information, fair dealing, and commitment to your satisfaction throughout the entire journey.

Key Features of the CAT 320GC Excavator (Typical Specs - Representative of Models in Stock):

The CAT 320GC is celebrated for its optimal balance of power, efficiency, and reliability. Here are key specifications common to this popular model:

Parameter	Typical Specification	Benefit
Operating Weight	Approx. 20,500 - 21,500 kg	Stable platform for powerful digging and lifting
Engine Power	CAT C4.4 ACERT™ Diesel Engine	Reliable power with good fuel efficiency
Net Power	Around 107 kW (143 hp)	Strong performance for demanding tasks
Bucket Capacity	0.9 - 1.2 m³ (varies by bucket)	Versatile for various material handling applications
Max Digging Depth	Approx. 6.7 - 7.0 meters	Excellent reach for trenching and excavation
Max Reach at Ground	Approx. 9.8 - 10.1 meters	Extended reach for efficient over-the-edge work
Travel Speed	Up to 5.5 km/h	Efficient movement around the job site
Hydraulic System	Advanced CAT Hydraulics	Responsive control and efficient power delivery
Cab	ROPS/FOPS certified	Operator safety and comfort prioritized

(Note: Exact specifications may vary slightly between individual used units. We provide detailed specs for each specific machine upon inquiry.)
