Basic Information

- Place of Origin: Japan
- Brand Name: HITACHI
- Model Number: HITACHI ZX60
- Minimum Order Quantity: 1set
- Price: Negotiable
- Packaging Details: Container Or Bulk
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per month

Product Specification

- Max Unloading Height: 4080mm
- Condition: Used
- Model: Hitachi ZX60
- Operating Weight: 5.85 Tons
- Product Type: Crawler Excavator
- Maximum Output Power: 40.5kW
- Travel Speed: 4.5/2.5 Km/h
- Bucket Capacity: 0.22m³
- Highlight: ZX60 Second Hand Hitachi Excavator,
Used Hitachi ZX60 Excavator,
Used Hitachi Crawler Excavator

Product Description

Used Hitachi Excavator: Low Cost and High Performance

Product Description:

Hitachi Excavator is a powerful construction equipment designed to provide efficient, reliable and cost-effective mechanized excavation. Its advanced technology and robust design make it a perfect choice for any heavy-duty excavating job. This excavator features an Isuzu CC-4JG1 engine, offering a travel speed of 4.5/2.5 km/h and a maximum unloading height of 4080 mm. With an operating weight of 5.85 tons and a 95L hydraulic oil tank, it provides reliable and efficient performance. Its advanced hydraulic system provides precise control and power for all types of excavations. Additionally, it has a variety of attachments to suit different applications and optimize productivity. With its robust design, superior performance, and reliable operation, Hitachi Excavator is an ideal choice for any kind of excavation job.

Features:

Product Name: Used Hitachi Excavator

Condition: Used

Max Digging Radius: 6250mm

Hydraulic Oil Tank: 95L

Engine: Isuzu CC-4JG1

Max Unloading Height: 4080mm

Hitachi Excavator Mechanism: High-performance Hydraulic System

Hitachi Excavator Mechanism: Durable Boom and Arm

Hitachi Excavator Mechanism: Durable Cab

Technical Parameters:

Parameter	Value
Model	Hitachi ZX60
Operating Weight	5.85 Tons
Engine	Isuzu CC-4JG1
Max Digging Depth	3850mm
Max Unloading Height	4080mm
Travel Speed	4.5/2.5 Km/h
Hydraulic Oil Tank	95L
Fuel Tank Capacity	120L
Product Type	Crawler Excavator
Condition	Used

Applications:

The Used Hitachi Excavator ZX60 is a great choice for any construction project due to its superior power and performance. It is reliable, durable and efficient, and its robust construction ensures that it can withstand harsh weather conditions and other environmental factors. It is also equipped with advanced safety and communication features, making it one of the safest excavators on the market. With its superior power and performance, the Used Hitachi Excavator ZX60 is a great choice for any construction project.

Packing and Shipping:

Packaging and Shipping of Used Hitachi Excavator:
The Used Hitachi Excavator is shipped with all necessary accessories and components, including the necessary tools

and components for installation. All necessary documentation is provided, including the installation instructions and warranty information. The Used Hitachi Excavator is packaged in accordance with the guidelines of the manufacturer and all applicable laws and regulations.

FAQ:Xuanjue Serve For You, Best Quality And Lowest Price

Q1. What is the brand name of this product?

A1. The brand name of this product is HITACHI.

Q2. What is the model number of this product?

A2. The model number of this product is HITACHI ZX60.

Q3. Where is this product made?

A3. This product is made in Japan.

Q4. What type of product is this?

A4. This is a Used Hitachi Excavator.

Q5. What purpose does this product serve?

A5. This Used Hitachi Excavator is used for various tasks such as digging, loading, and lifting.

If you have any questions, you can call and send an email at any time and leave a message. We will answer you as soon as possible after seeing it.
