Rated Power	198/1900

Applications:

The Used Hyundai Excavator Machine is designed to handle a variety of tasks with ease. Whether you're working on digging, loading, or lifting, this excavator can do it all. Its sturdy and durable build ensures that it can withstand the toughest of working conditions, making it a reliable choice for any construction project. Equipped with a powerful engine and advanced hydraulic system, the Used Sunward Excavator Machine delivers exceptional performance. It has a working weight of 30200 kg, which allows it to handle heavy loads and complete tasks quickly and efficiently. With a bucket capacity of 1.38 cubic meters and a maximum digging depth of 7500 mm, this excavator can tackle even the most challenging projects.

The Used Hyundai Excavator Machine is designed for ease of use, making it suitable for both experienced and novice

operators. Its user-friendly controls and ergonomic design ensure that the operator can work comfortably for extended periods without any strain. This excavator also comes with a range of safety features to ensure the well-being of the operator at all times.

As a used excavator, the Used Sunward Excavator Machine offers a cost-effective solution for your construction needs. It has been thoroughly inspected and serviced by experts to ensure its reliability and performance. By choosing a used excavator, you can save on costs while still enjoying the benefits of a high-quality machine.

Packing and Shipping:

Packaging

Each used excavator machine is carefully inspected and cleaned before being packaged.

We use high-quality packaging materials to protect the excavator from any potential damage during shipping.

The excavator is securely fastened and reinforced inside the packaging to prevent any movement during transit.

Our packaging is also designed to withstand various weather conditions and handling processes to ensure the excavator arrives in perfect condition.

Shipping

We offer worldwide shipping for our used excavator machines.

Our shipping partners are selected based on their reliability and ability to deliver our products on time.

We provide all necessary documentation for customs clearance to ensure a smooth delivery process.

Our team monitors each shipment closely to ensure it reaches its destination on time and in perfect condition.

With our careful packaging and efficient shipping methods, you can trust that your used excavator machine will arrive safely and in top-notch condition. Thank you for choosing Used Excavator Machine.
