Basic Information

- Place of Origin: America
- Brand Name: Caterpillar
- Model Number: 312GC
- Minimum Order Quantity: 1 set
- Price: 18000 USD - 25800 USD
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per year

Product Specification

- Max Digging Depth: 5540mm
- Fuel Tank: 250
- Engine Model: 3054C
- Walking Speed: 5.1km/h
- Rated Power: 56kw
- Brand: CAT
- Capacity: 0.53m³
- Gradeability: 70%
- Highlight: Construction Second Hand Caterpillar Excavators
, 5540mm Used Caterpillar Excavators,
Construction Used Caterpillar Excavator

Product Description

Product Description:

CAT (Caterpillar) is a well-known brand in the construction industry, providing heavy duty excavators that are known for their durability, efficiency, and high performance. The used CAT excavators are no exception, offering the same quality and reliability at a more affordable price.

Product Overview

Our Product Int

The used CAT excavators are heavy duty machines designed for tough digging and construction tasks. They are equipped with advanced technology and powerful engines to ensure efficient and effective operation on any job site.

Gradeability: 70%

These excavators have a gradeability of 70%, allowing them to easily navigate uneven terrain and steep slopes. This makes them ideal for a variety of construction projects, from building roads to excavating foundations.

Fuel Tank: 250 liters

The used CAT excavators have a large fuel tank capacity of 250 liters, reducing the need for frequent refueling and increasing productivity on the job site.

Brand: CAT

CAT is a trusted and reputable brand in the construction industry, known for its high-quality and reliable equipment. Choosing a used CAT excavator means investing in a top-performing machine with a proven track record.

Rated Power: 56kw

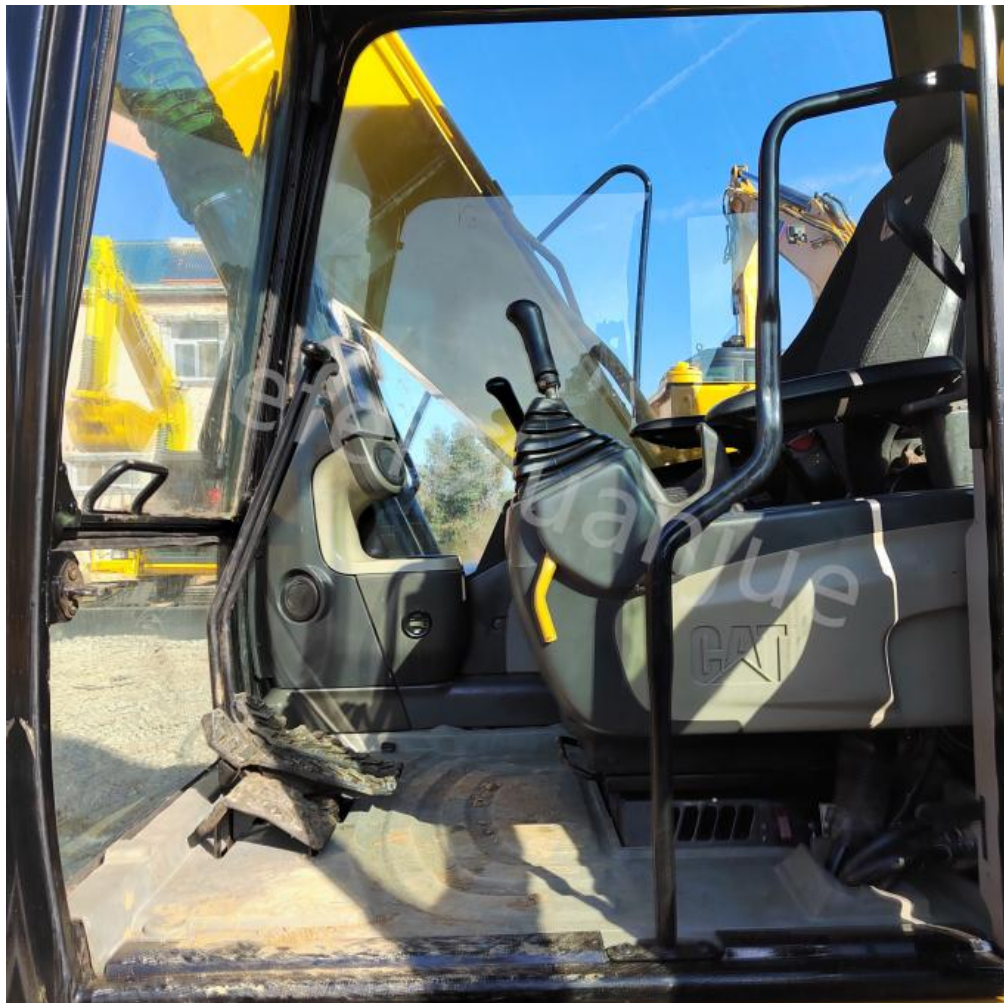

The used CAT excavators are equipped with a powerful engine with a rated power of 56kw, providing the necessary strength and performance to handle any digging or construction task.

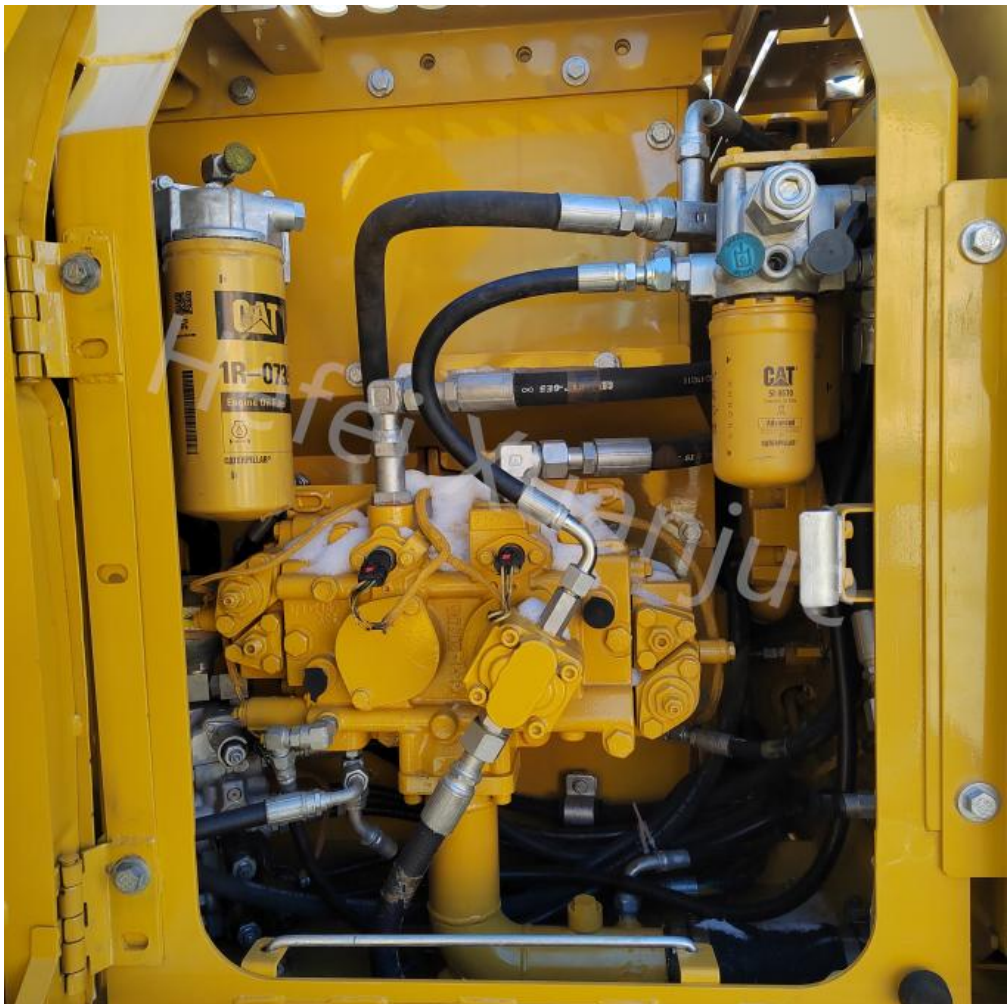

Overall, the used CAT excavators are an excellent choice for any construction project. With their heavy duty capabilities, efficient operation, and reliable performance, they are a valuable addition to any job site. Trust in the CAT brand and invest in a used CAT excavator for your next project.

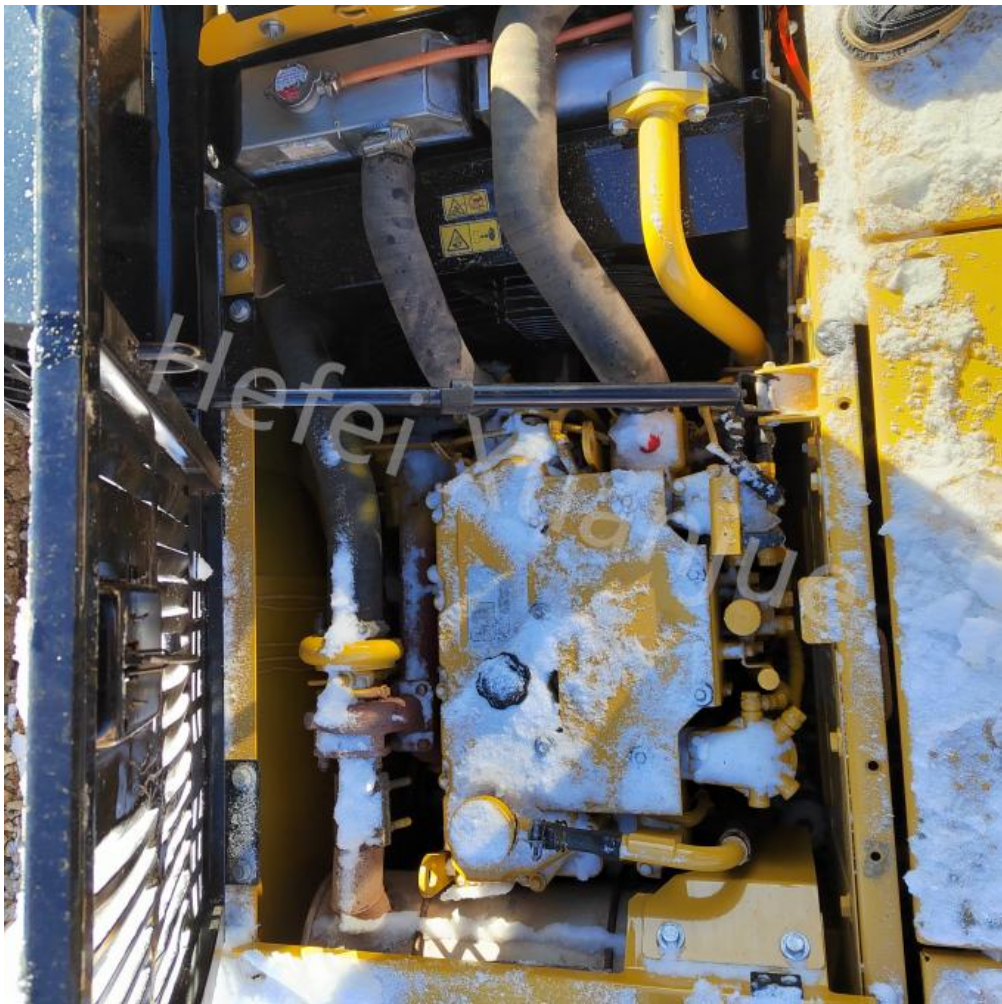

Technical Parameters

Used CAT Excavators

Capacity	0.53m ³
Engine Model	3054C
Rated Power	56kw
Working Weight	12500kg
Fuel Tank	250
Brand	CAT
Gradeability	70%
Max Digging Depth	5540mm
Walking Speed	5.1km/h
Product Type	Second Hand Excavators
Product Series	CAT Digging Machines
Product Usage	Heavy Duty Excavators

Applications:

Used CAT Excavators - The Perfect Solution for Your Construction Needs

The heavy-duty CAT 312GC excavator, manufactured by Caterpillar, is a reliable and efficient choice for any construction project. Whether you are working on a large-scale project or need a reliable machine for day-to-day operations, this excavator is the perfect solution for you. With its superior performance and durability, this excavator is a popular choice among contractors and construction companies worldwide.

Product Attributes:

Used Construction Machinery:

This excavator is a part of the popular range of second-hand construction machinery offered by Caterpillar. With its rugged design and powerful engine, the 312GC is perfect for heavy-duty excavation work. It is a cost-effective option for those looking to purchase high-quality machinery at a lower price point.

Suitable Applications:

This excavator is suitable for a variety of construction applications, including but not limited to:

- Excavation and digging
- Land clearing and leveling
- Building and road construction
- Mining and quarrying
- Pipeline and utility work

Benefits of Second Hand Excavators:

There are many advantages to purchasing a second hand excavator, such as the 312GC. Some of these include:

Cost savings: Second hand excavators are significantly cheaper than new ones, making them a more affordable option for those on a budget.

Reliability: Caterpillar is known for its durable and long-lasting machines, so you can trust that a used CAT excavator will still perform at a high level.

Availability: With a large market for used construction machinery, finding a second hand excavator for sale is relatively easy.

Quick delivery: Unlike new machines that often require a waiting period, used excavators can be delivered and put to work immediately.

Final Thoughts:

In conclusion, the Caterpillar 312GC excavator is a top-of-the-line, heavy-duty machine that is perfect for construction projects of all sizes. With its superior performance, durability, and cost-effectiveness, it is a highly sought-after choice among contractors and construction companies. So why wait? Contact us today and get your hands on a reliable and efficient used CAT excavator for all your construction needs.
