Basic Information

- Place of Origin: China
- Brand Name: HYSOON
- Model Number: HY700
- Minimum Order Quantity: 1 set
- Price: 21500 USD -30000 USD
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per year

Product Specification

- Max Speed: 10 Km/h
- Max Dumping Distance: 437mm
- Max Working Height: 3490mm
- Location: China
- Rated Power: 45kw
- Colour: Yellow
- Bucket Capacity: 0.39m³
- Minimum Ground Clearance: 528mm
- Highlight: Construction Used Caterpillar Bulldozer, 10 Km/h Used Caterpillar Bulldozer, Heavy Duty Second Hand Caterpillar Bulldozer

Product Description

Product Description:

The loader is a powerful and reliable machine designed for heavy-duty construction and earth-moving operations. With a maximum speed of 10 km/h, this loader is capable of tackling tough terrains and completing projects efficiently. It is manufactured in China, ensuring high-quality standards and competitive pricing.

The loader's main feature is its excellent travel speed, allowing it to move quickly and smoothly across the job site. It is also equipped with a powerful hydraulic system that provides a maximum dumping distance of 437mm, making it ideal for loading and unloading materials. The maximum working height of the loader is 3490mm, providing a wide range of applications such as land clearing, road construction,

Our Product In

and more. It is perfect for both small and large-scale projects, making it a versatile choice for any construction site. In conclusion, the loader is an exceptional piece of machinery that offers high performance, durability, and efficiency. It is an ideal choice for contractors and construction companies looking for a reliable and cost-effective solution for their earth-moving needs.

Technical Parameters:

Specifications	Values
