

5020 Max Digging Depth Hitachi Excavator Mechanism With 70% Gradeability

Our Product Introduction

Basic Information

- Place of Origin: Japan
- Brand Name: HITACHI
- Model Number: ZX120
- Minimum Order Quantity: 1 set
- Price: 15000 USD -25800 USD
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per year

Product Specification

- Fuel Tank Capacity: 250
- Working Weight: 12200
- Engine Model: ISUZU CC-4BG1TC
- Max Digging Height: 8570
- Max Digging Depth: 5020
- Bucket Capacity: 0.52
- Product Type: Crawler Excavator
- Gradeability: 70%
- Highlight: **Crawler Type Hitachi Excavator Mechanism, Used Hitachi Excavator Mechanism, Heavy Used Hitachi Excavator**

5020 Max Digging Depth Hitachi Excavator Mechanism with 70% Gradeability

Product Description:

Used Hitachi Excavator Product Overview

The Used Hitachi Excavator is a reliable and efficient piece of heavy machinery designed for construction and excavation purposes. With a Working Weight of 12200, this excavator is capable of handling heavy loads and tough terrain with ease. Its Fuel Tank Capacity of 250 ensures longer working hours without the need for frequent refueling, making it a cost-effective choice for any construction project.

The Hitachi Excavator Mechanism is known for its durability and superior performance. Equipped with a powerful Engine Model, ISUZU CC-4BG1TC, this excavator can handle the toughest of jobs with ease. This engine provides efficient and smooth operation, ensuring high productivity and minimal downtime.

The Hitachi Excavator is a Crawler Excavator, making it perfect for navigating through rough and uneven terrain. Its Gradeability of 70% allows it to easily climb steep slopes and work on challenging construction sites. This makes it a versatile choice for any construction project, whether it's building roads, digging foundations, or clearing land.

Investing in a Used Hitachi Excavator means getting a high-quality and reliable machine at a more affordable price. Hitachi is a well-known and trusted brand in the construction industry, and their excavators are known for their long lifespan and low maintenance costs. With proper care and maintenance, this excavator can serve you for years to come.

In conclusion, the Used Hitachi Excavator is a top-of-the-line product that offers superior performance, durability, and versatility. It is the perfect choice for any construction project and will undoubtedly exceed your expectations. Don't miss out on the opportunity to own this exceptional piece of machinery.

Technical Parameters:

Attribute	Value
Product Type	Crawler Excavator
Engine Model	ISUZU CC-4BG1TC
Working Weight	12200kg
Bucket Capacity	0.52m³
Max Digging Depth	5020mm
Max Digging Height	8570mm
Fuel Tank Capacity	250L
Gradeability	70%

Applications:

Used Hitachi Excavator ZX120

Product Overview

The Used Hitachi Excavator ZX120 is a top-performing and reliable construction equipment that is perfect for a wide range of applications. With its advanced Hitachi Excavator Mechanism and powerful engine, this excavator is designed to deliver exceptional performance even in the toughest working conditions.

Product Specifications

Application Scenarios

The Used Hitachi Excavator ZX120 is suitable for a variety of applications, including:

Excavating and digging in construction sites

Trenching and pipe laying for underground utilities

Demolishing old structures or buildings

Landscaping and earthmoving for road construction

Mining and quarrying operations

Loading and unloading of materials in warehouses or ports

And many more

No matter what your job site demands, the Used Hitachi Excavator ZX120 is a versatile and reliable equipment that can meet your needs and exceed your expectations.

Conclusion

With its top-notch Hitachi Excavator Mechanism, powerful engine, and exceptional features, the Used Hitachi Excavator ZX120 is a smart investment for any construction company or contractor. It offers high performance, durability, and cost-effectiveness, making it a valuable addition to any fleet of heavy-duty equipment. Trust in the quality and reliability of Hitachi and choose the ZX120 for your next project.
