### Basic Information

- Place of Origin: Japan
- Brand Name: YANMAR
- Model Number: VIO15
- Minimum Order Quantity: 1 set
- Price: 4800 USD - 12800 USD
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per year

### Product Specification

- Machine Type: Crawler Mini Excavator
- Rated Power: 8.9kw
- Boom Rotation Angle: 42/65
- Bucket Capacity: 0.05-0.1m<sup>3</sup>
- Walking Speed: 2.7/1.3km/h
- Weight: 1500kg
- Swing Speed: 8.5
- Fuel Tank: 5.3
- Highlight: Second Hand Mini Excavator, Used Crawler Mini Excavator

## Product Description

### Product Description:

#### Used Mini Excavator

The Used Mini Excavator is a reliable and efficient second-hand construction equipment, perfect for small-scale excavation projects. It is equipped with advanced features and powerful engine, making it a cost-effective choice for any construction company or individual.

#### Product Specifications:

##### Why Choose a Second-hand Mini Excavator?

There are many reasons to choose a second-hand mini excavator for your construction needs:

**Cost Savings:** Purchasing a second-hand mini excavator can save you a significant amount of money compared to buying a new one.

**Proven Performance:** A used excavator has already been tested and proven its performance, ensuring that you are getting a reliable piece of equipment.

**Availability:** Second-hand mini excavators are readily available in the market, making it easier to find one that meets your specific needs and budget.

**Eco-friendly:** By choosing a second-hand excavator, you are also contributing to the reduction of waste and promoting a more sustainable environment.

#### Conclusion

The Used Mini Excavator is a reliable and efficient construction equipment that offers a cost-effective solution for small-scale excavation projects. With its powerful engine, compact size, and versatile capabilities, it is a perfect choice for any construction company or individual looking for a budget-friendly and durable option. Choose a second-hand mini excavator and experience its exceptional performance and efficiency in your next excavation project.

### Technical Parameters:

Product Name	Used Mini Excavator
Weight	1500kg
Rated Power	8.9kw
Boom Rotation Angle	42/65 degrees
Machine Type	Crawler Mini Excavator
Swing Speed	8.5 rpm
Engine Model	3TNV70-WBV
Fuel Tank	5.3 liters
Bucket Capacity	0.05-0.1m³
Walking Speed	2.7/1.3 km/h

### Applications:

#### Used Mini Excavator - YANMAR VIO15

##### Product Description

The YANMAR VIO15 is a second-hand mini excavator from Japan, designed for efficient and precise digging in small spaces. With a bucket capacity of 0.05-0.1m³, this machine is perfect for various construction and landscaping projects.

Brand Name: YANMAR

Model Number: VIO15

Place of Origin: Japan

Machine Type: Crawler Mini Excavator

Engine Model: 3TNV70-WBV

Swing Speed: 8.5

Boom Rotation Angle: 42/65

##### Product Application

The YANMAR VIO15 is suitable for a wide range of applications, including:

**Small construction sites:** With its compact size and powerful performance, the VIO15 is perfect for working in tight spaces, such as residential areas and urban construction sites.

**Landscaping projects:** The mini excavator's precise digging capabilities make it ideal for creating trenches, grading land, and other landscaping tasks.

**Farm work:** The VIO15 is also suitable for agricultural purposes, such as digging irrigation ditches and clearing land for farming.

**Utility work:** From installing underground pipes to repairing sewer lines, the VIO15 can handle various utility projects with ease.

##### Product Features

The YANMAR VIO15 offers the following features:

Efficient engine: Powered by a 3TNV70-WBV engine, this mini excavator delivers reliable performance and low fuel consumption.

Smooth swing: With a swing speed of 8.5, the VIO15 allows for smooth and precise movements, ensuring efficient digging and loading.

Flexible boom: The boom rotation angle of 42/65 provides flexibility and versatility in different working conditions.

Easy maintenance: The mini excavator is designed for easy maintenance, with easily accessible parts and components.

Durable tracks: The VIO15's crawler tracks are built to withstand tough terrains and provide stability and traction in various working conditions.

#### **F & Q:**

Xuanjue Serve For You, Best Quality And Lowest Price

Q1. What payment method?

Payment is negotiable
