### Basic Information

- Place of Origin: Korea
- Brand Name: Doosan
- Model Number: dx225-9C
- Minimum Order Quantity: 1 set
- Price: 16800 USD - 35800 USD
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per year

### Product Specification

- Travel Mode: Crawler Type
- Maximum Digging Depth: 6630m
- Model: Dx225-9C
- Bucket Capacity: 1.05m<sup>3</sup>
- Maximum Digging Height: 9660mm
- Engine Power: 157/1900kw
- Weight: 21500kg
- Walking Speed: 3/5.5km/h
- Highlight: Used Doosan Crawler Type Excavator,  
9660mm Used Doosan Excavator,  
Dx225-9C Used Doosan Excavator

## Product Description

# Powerful Used Doosan Excavator with 1.05m<sup>3</sup> Bucket Capacity and 9660mm Digging Height

### Product Description:

Doosan Crawler Excavator - DX225-9C

The Doosan Crawler Excavator DX225-9C is a powerful and versatile machine designed for various construction and digging tasks. With its impressive engine power, efficient travel mode, and sturdy design, it is a top choice for any job site.

Engine Power

The DX225-9C is equipped with a powerful engine that delivers 157/1900kW of power. This allows it to handle even the toughest of digging tasks with ease.

Model

The DX225-9C is a part of the Doosan Crawler Excavator series, known for its reliable and high-performing machines. It is specifically the model DX225-9C, which is one of the top-performing excavators in the series.

Travel Mode

This excavator operates in a crawler type travel mode, which is ideal for rough and uneven terrains. It allows for smooth and stable movement, even in challenging conditions.

Walking Speed

The DX225-9C has a walking speed of 3/5.5km/h, making it a fast and efficient machine for transportation on the job site. This speed can be adjusted according to the requirements of the task at hand.

Weight

Weighing at 21500kg, the DX225-9C is a heavy-duty excavator that can handle heavy loads and tough digging without any issues. Its sturdy build and weight make it a reliable and durable machine for any construction project.

In conclusion, the Doosan Crawler Excavator DX225-9C is a powerful, efficient, and reliable machine that is perfect for any construction or digging task. Its impressive engine power, travel mode, walking speed, and weight make it an ideal choice for any job site. Trust in Doosan's quality and choose the DX225-9C for your next project.

### Technical Parameters:

Weight	21500 kg
Engine Power	157/1900 kw
Maximum Digging Height	9660 mm
Bucket Capacity	1.05 m <sup>3</sup>

### Applications:

Used Doosan Excavator

Welcome to explore the high-quality used Doosan excavator!

Product Description

The Doosan Crawler Excavator is a powerful and reliable construction equipment designed to meet the demands of various construction projects. The Doosan dx225-9C model, manufactured in Korea, is a top choice for those in need of a high-performing and durable excavator. With an engine power of 157/1900kw, walking speed of 3/5.5km/h, maximum digging height of 9660mm, bucket capacity of 1.05m<sup>3</sup>, and a weight of 21500kg, this excavator is capable of handling even the toughest tasks with ease.

Product Features

Brand Name: Doosan

Model Number: dx225-9C

Place of Origin: Korea

Engine power: 157/1900kw

Walking speed: 3/5.5km/h

Maximum digging height: 9660mm

Bucket capacity: 1.05m<sup>3</sup>

Weight: 21500kg

#### Application and Scene

The Doosan Crawler Excavator is a versatile machine that can be used in a wide range of applications and scenes. Some of its common uses include:

Construction sites - The Doosan excavator is ideal for digging trenches, foundations, and other earthmoving tasks on construction sites.

Mining - With its powerful engine and bucket capacity, this excavator can efficiently handle heavy-duty digging and loading tasks in mining operations.

Road and highway construction - The Doosan excavator can be used to dig and level out roads and highways, making it an essential equipment in the construction industry.

Landscaping - Whether it's digging holes for trees or moving large amounts of soil, this excavator is perfect for various landscaping projects.

Demolition - The Doosan excavator's high digging height and strong arm make it a reliable machine for demolition projects.

#### F & Q:

Xuanjue Serve For You, Best Quality And Lowest Price
