

## CAT329D C7ACERT Excavator with 520L Diesel Tank 1.36m<sup>3</sup> Bucket and 152kw Power

Our Product Introduction

more products please visit us on [used-excavatormachine.com](http://used-excavatormachine.com)

### Basic Information

- Place of Origin: America
- Brand Name: Caterpillar
- Model Number: 329
- Minimum Order Quantity: 1 unit
- Price: Negotiable
- Packaging Details: Bulk, frame
- Delivery Time: 5-10 days
- Payment Terms: T/T
- Supply Ability: adequate supply

### Product Specification

- Diesel Tank: 520L
- Length\*height\*width: 10410\*3180\*2990mm
- Working Weight: 29240kg
- Bucket Capacity: 1.36m<sup>3</sup>
- Rated Power: 152kw/2000rpm/min
- Brand: CAT
- Engine Model: C7ACERT
- Walking Speed: 3.5/5.3km/h

## Product Description

### Product Description:

One of the best options available in the used CAT excavators category is the model with a working weight of 29240kg. This powerful machine is equipped with a diesel tank of 520L, ensuring long hours of uninterrupted work without the need for frequent refueling. The walking speed of this excavator is impressive, with a range of 3.5/5.3km/h, making it highly efficient on job sites. The bucket capacity of this Caterpillar Excavator is 1.36m<sup>3</sup>, making it ideal for handling large volumes of material with ease. Its powerful hydraulic system ensures that the bucket operates smoothly, providing exceptional digging performance even in the toughest of conditions.

CAT Excavators are known for their reliability and ruggedness, which makes them a top choice for construction companies and contractors alike. This model, in particular, has proven to be a reliable and efficient machine, making it perfect for a wide range of excavation tasks.

If you're looking for a reliable and efficient Caterpillar Excavator, then this used model is an excellent choice. It offers exceptional performance, durability, and reliability, making it a top choice for construction companies and contractors looking to get the job done right. So, whether you're working on a large construction site or a small excavation project, this CAT Digging Machine is a must-have for any serious contractor.

### Features:

Product Name: Used CAT Excavators

Walking speed: 3.5/5.3km/h

Brand: CAT (Caterpillar Excavators)

Dimensions: 10410mm x 3180mm x 2990mm (length x height x width)

Engine Model: C7ACERT

Working Weight: 29240kg (Heavy Duty Excavators)

Product Type: Used CAT Diggers

### Technical Parameters:

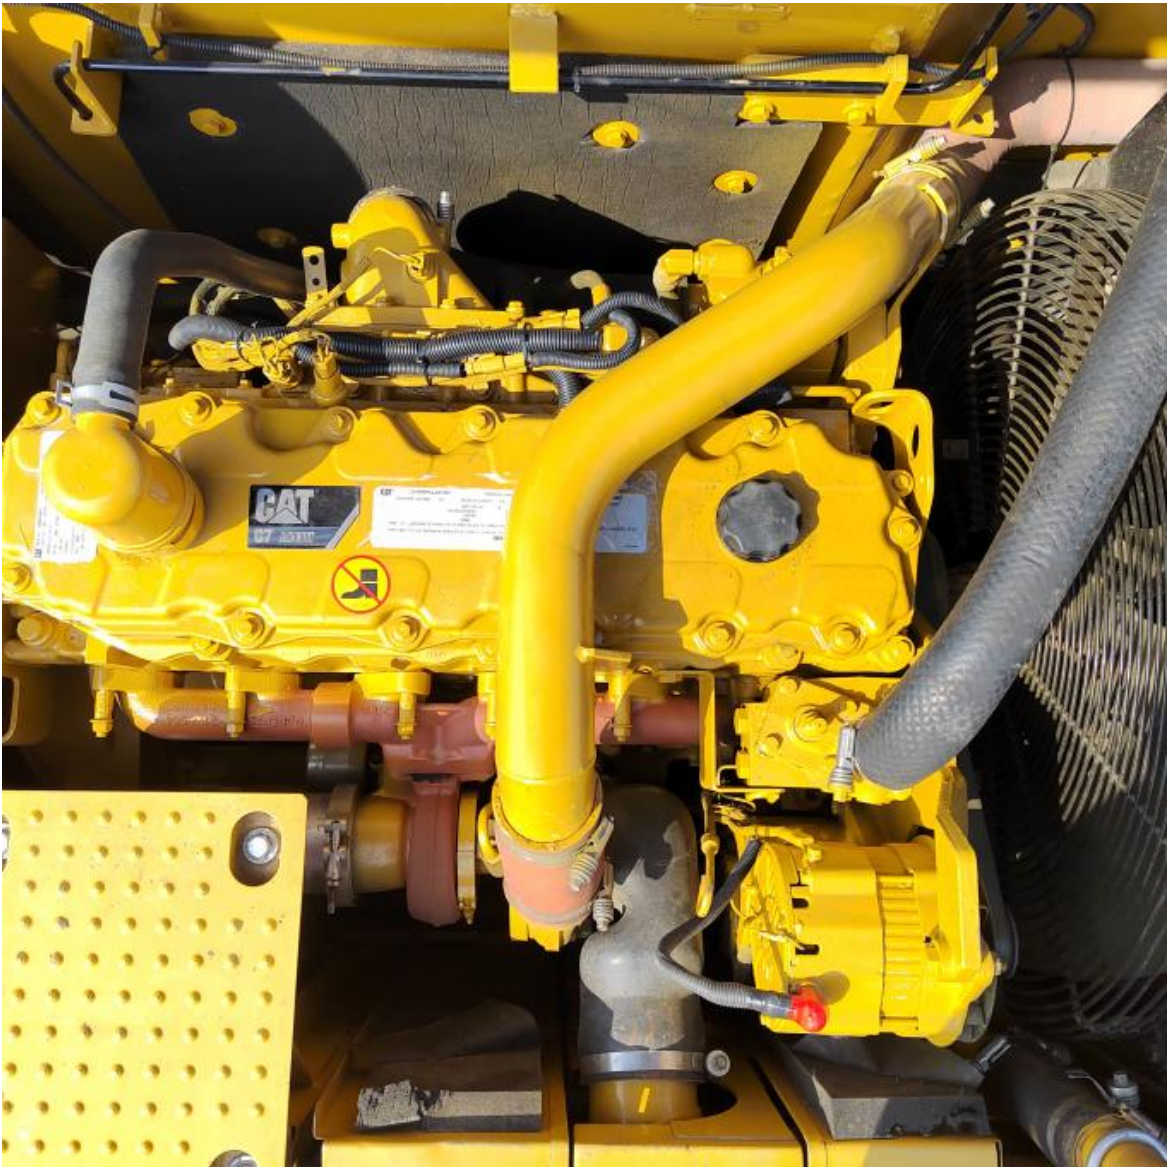

Brand	CAT
Product	Second Hand Excavators
Model	Used CAT Diggers
Engine Model	C7ACERT
Rated Power	152kw/2000rpm/min
Bucket Capacity	1.36m <sup>3</sup>
Length*Height*Width	10410*3180*2990mm
Diesel Tank	520L
Walking Speed	3.5/5.3km/h
Working Weight	29240kg

CAT Digging Machines

## Packing and Shipping:

### Product Packaging:

All used CAT excavators will be thoroughly cleaned and inspected before packaging.

Each excavator will be securely fastened to a pallet to prevent any movement during transportation.

Additional padding and protective materials will be used to ensure the excavator is not damaged during shipping.

### Shipping:

We offer worldwide shipping for all used CAT excavators.

Shipping costs will vary depending on the destination and weight of the excavator.

All shipments will be fully insured to protect against any damage during transit.

We will provide a tracking number so you can monitor the progress of your shipment.
